Improving choice, quality and service

Geoplast Formwork

The simple formwork solution

Advantages

- Lightweight units that are fast and simple to install. Handles lock the units into position with a 90° turn
- Economical and cost effective. Many repeat uses with very little maintenance
- Easy to clean. Just rinse with water
- Easy to store. Can be completely dismantled. Does not need to be stored in a dry environment
- Robust units are resistant to damage
- No release agents needed. Concrete will not stick to the plastic surface
- Outer side of panels are ribbed to allow easy plumbing and anchoring of props
- Environmentally friendly. Many repeat uses and made from recycled materials
- Geopanel Star is adjustable and hence reduces the amount of sizes required
- Reduces pressure on crane time as formwork panels can be fixed and struck by hand
