

Constru Plus

Specially designed for construction

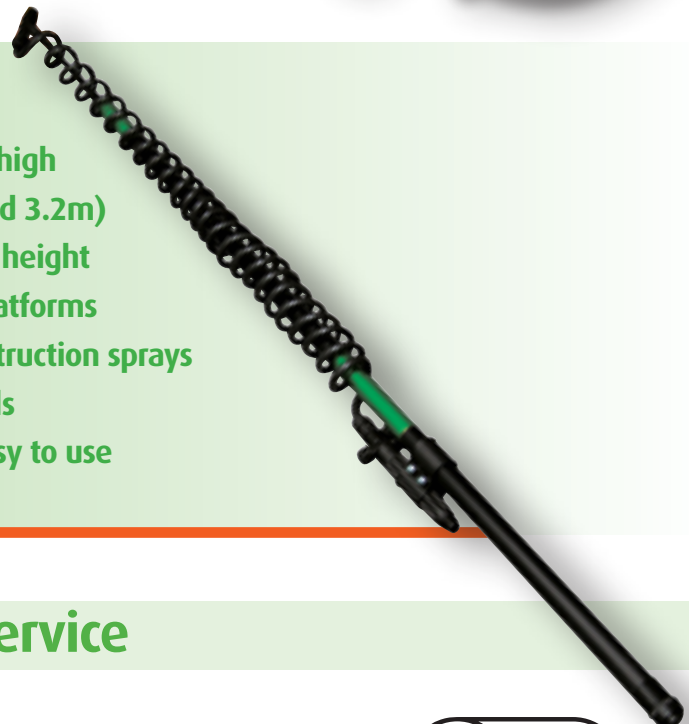

- Highly resistant – Viton seals, PE Filters, PP Nozzles, 2 hoses – one resistant to acids and the other appropriate for solvents
- Versatile – suitable for shuttering, curing, cleaning, waterproofing, descaling, degreasing
- Tested with popular construction compounds
- 7 Ltr Capacity
- Costs less but lasts longer than most metal sprayers
- Includes extras for specific applications: 0.42m extension, fan nozzle for acids, disc nozzle for emulsions, 0.25m flexitube and acids hose

Extendable Lance

- Enables spraying up to 6m high
- Three positions (1.2, 2.3 and 3.2m)
- Eliminates need to work at height
- Eliminates need to build platforms
- Specially designed for construction sprays
- Highly resistant – Viton seals
- Lightweight (700g) and easy to use

Improving choice, quality and service

Other Sprayers

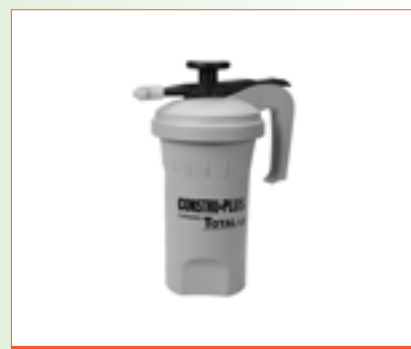

Tango Sprayer

- Economical general purpose sprayer
